Numbers

Description of Material

- 1-3 Central business section of Zagreb 156116, 156117, 156118
- 4 From service station on road leading to Belgrade, the Zagreb end of the highway. Taken 24 Aug 54 about 0900, looking ENE. Note that corn field has lots of tassle and no ears. The white building in the distance is the new technical school. 156119
- 5 Drilling well in Klostar oil fields of Naftaplin. Taken from behind office building, near 1200, 24 Aug 54. Telephone line to right. Pumping well in background. 156120
- 6 Area between Klostar and Mramor Brdo (Marble Hill). Shows one of the five pumping rigs in this field. (24 Aug 54) 156121
- 7 Farm building in Klostar. Note oil rig to left front (24 Aug 54) 156122
- 8 Naftaplin's new liquified petroleum gas plant at Mramor Brdo (Zrenjanin). Shows the new bottling plant, absorption plant and extraction equipment. Taken from the bottom of the hill. Note that the gas containers are stacked up since the old Ingersoll compressors were not working at that time. (24 Aug 54) 156123
- 9 Same plant taken from the top of the hill. (24 Aug 54) 156124 *John R. Koda*
- 10 Same scene, taken to right front from top of hill. (24 Aug 54) 156125
- 11 Scene of plant area away from plant showing mud storage tanks. (24 Aug 54) 156126
- 12 Also taken from top of Mramor Brdo showing one of production tanks. (Note white spot) (24 Aug 54) Too dark to accession - 0
- 13 Building housing Ingersoll compressors, taken from top of hill (24 Aug 54) 156127

(NOTE: Relative directions in which pictures 8-13 were taken.)
